Sir:

The diskette enclosed herewith contains a computer readable form of the Sequence Listing for the above-referenced patent application. The information recorded in computer readable form on the diskette is identical to the written sequences contained in the application as filed. The computer readable form of the sequence listing contained on this diskette is understood to comply with the requirements of 37 C.F.R. § 1.821(f). Also enclosed is a computer print-out of the sequence listing.

It is believed that no fee is required to make this complete and timely filing. However, if it is determined that a petition or fee is required, the Commissioner is hereby authorized to charge any fee associated with this statement to our Deposit Account No. 50-0925 and please consider this a petition.

Respectfully submitted,

Luke A. Kilyk
